**Scoring Objective** - One of the most frequent questions asked of this program is why a certain amount of points are awarded for one scored area and a different amount of points to other areas. The Chapter of the Year Program is divided into four major areas. They are General Chapter, Membership Enhancement, Rider Education and Leadership Training. One of the internal goals of developing and updating the score sheet each year is to ensure that the points for the General Chapter area accounts for a large portion of the score and that the other three major areas remain fairly equal. By doing this, Chapters that are stronger in Rider Education do not have an unfair advantage over Chapters that might not be so strong in Rider Education. The same example can be used for Chapters that are stronger in Membership Enhancement or Leadership Training. Scoring in this manner helps meet the program's goal by ensuring that small as well as large Chapters have an equal opportunity to win and be recognized as the best Chapter in all of GWRRA.

## **GWRRA Chapter of the Year History**

The Chapter of the Year Program was created and designed in 2007 to stimulate Chapters to strive for excellence within their respective District and Region. Secondly it is to find and recognize the best of the best Chapters within GWRRA.

## **GWRRA Chapter of the Year Goal**

The goal of the Chapter of the Year Program is to get more Chapters involved in all of the GWRRA's programs and FUN activities that have been proven successful for many of the active and growing Chapters throughout GWRRA. Chapters that enter into the Chapter of the Year Program and are not selected as the District, Region or GWRRA International Chapter of the Year, will be a stronger, healthier Chapter for their efforts. Many of the scoring areas are measured in percentages to ensure that small and large Chapters alike have an equal chance in winning.

## **Disqualifiers**

If a Chapter was selected as the 2014 District Chapter of the Year they cannot be selected as the 2015 Chapter of the Year. A 2014 District Chapter of the Year must wait one year to compete in this program again. All Chapters, including the 2014 District Chapter of the Year can participate in the Gold, Silver and Bronze part of this program, if the District elects to participate in this part of the Chapter of the Year Program.

If a Chapter is selected as the 2014 International Chapter of the Year, they must wait three years to compete in this program again. As stated above, they may participate in the Gold, Silver and Bronze part of the program.

### Percentage Sheets for Determining Points

To use this percentage sheets chart to determine points for an event. You must first calculate the average number of participants using the 2015 Chapter Monthly Gathering Sign-In Sheets.

NOTE: Once you have this number it will be used in calculating all the % based points on the score sheet.

\* Next find your Chapter's average number of participants in the left column.

\* Read right to find the number of participants that participated in the event.

\* Then find the number at the top of the column for the points shaded in green.

Example:

**Average number of participants** - 15

**Number participating in the event** - 6

**Points awarded for the event** > - 6

Points	1	2	3	4	5	6	7	8
Participants	15%	20%	25%	30%	35%	40%	45%	50%
10	2	2	3	3	4	4	5	5
11	2	2	3	3	4	4	5	6
12	2	2	3	4	4	5	5	6
13	2	3	3	4	5	5	6	7
14	2	3	4	4	5	6	6	7
15	2	3	4	5	5	6	7	8

Points are awarded based on percentages as follows:

15%	1 Point
20%	2 Points
25%	3 Points
30%	4 Points
35%	5 Points
40%	6 Points
45%	7 Points
50%	8 Points

Percentages are rounded to the nearest whole number. Therefore, the number of participants may be listed under multiple percent columns. When this happens, use the higher percentage and point total.
